## Configuração do Curso

Siga os passos abaixo para aprender como criar um curso com links diretos.

1. Acesse "**My courses**".
2. Clique em "**Create course**".

3. Preencha os campos obrigatórios:

A. **Course full name**

B. **Course short name**

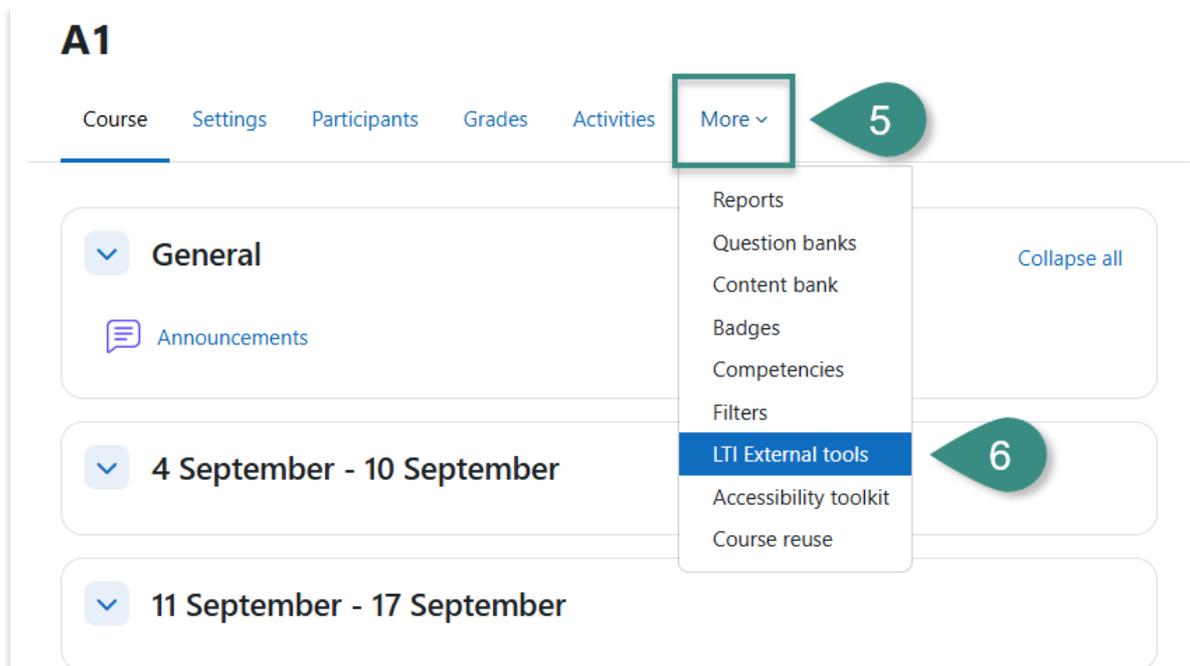

C. Course category (Selecione-a na sua lista de categorias.)

4. Clique em "**Save and display**".

The screenshot shows the 'Add a new course' form with the following fields and callouts:

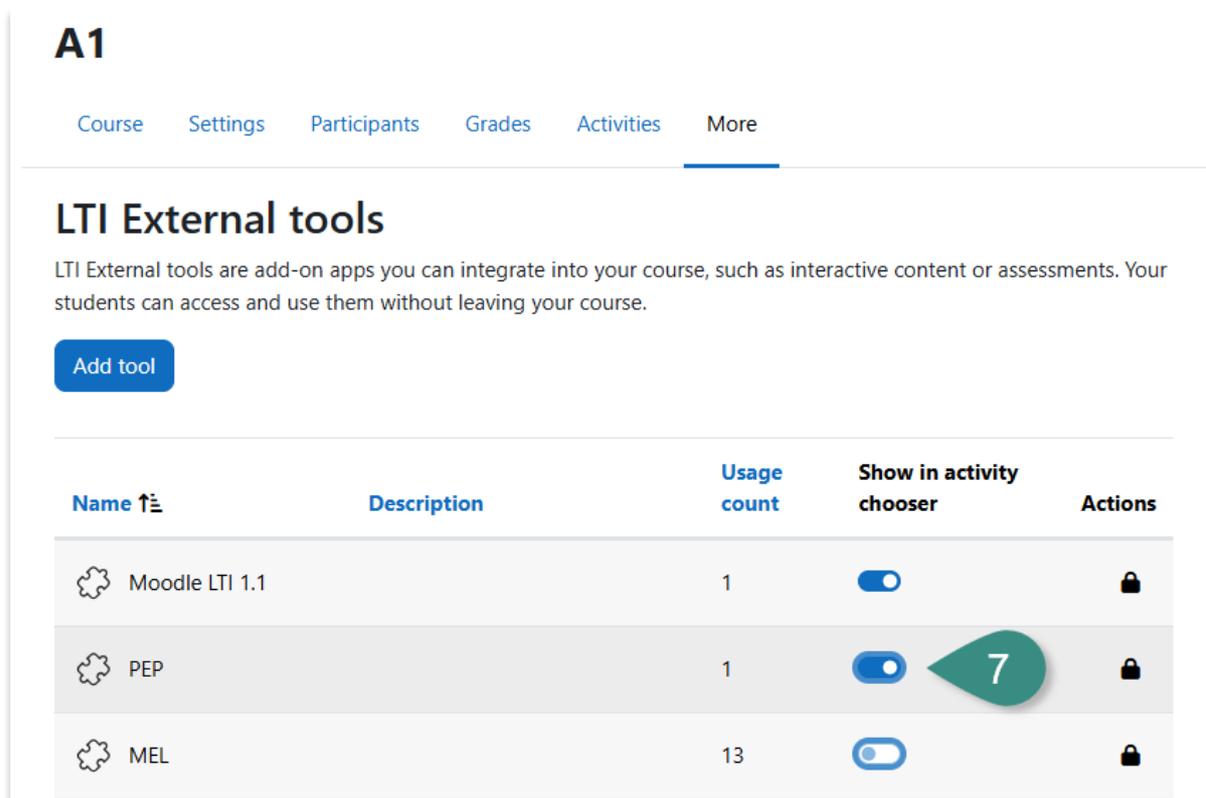

- Category**: Settings, Upload courses, More ▾
- Add a new course** (Title)
- Expand all** (Link)
- General** (Section Header)
- Course full name**: A1 (Callout A)
- Course short name**: A1 (Callout B)
- Course category**: English (Callout C)
- Course visibility**: Show ▾
- Course start date**: 4 ▾, September ▾, 2025 ▾, 00 ▾, 00 ▾
- Course end date**:  Enable 13 ▾, November ▾, 2025 ▾, 00 ▾, 00 ▾
- Calculate the end date from the number of sections
- Course ID number**:
- 4** (Callout 4) pointing to the **Save and display** button

5. Depois de criar o curso, selecione "**More**".
6. Selecione na lista a opção "**LTI External tools**".

The screenshot shows the Moodle course interface for course 'A1'. The navigation tabs are Course, Settings, Participants, Grades, Activities, and More. The 'More' tab is highlighted with a green box and a callout bubble containing the number 5. A dropdown menu is open, listing various options: Reports, Question banks, Content bank, Badges, Competencies, Filters, LTI External tools (highlighted in blue with a callout bubble containing the number 6), Accessibility toolkit, and Course reuse. The main content area shows three sections: General (with Announcements), 4 September - 10 September, and 11 September - 17 September.

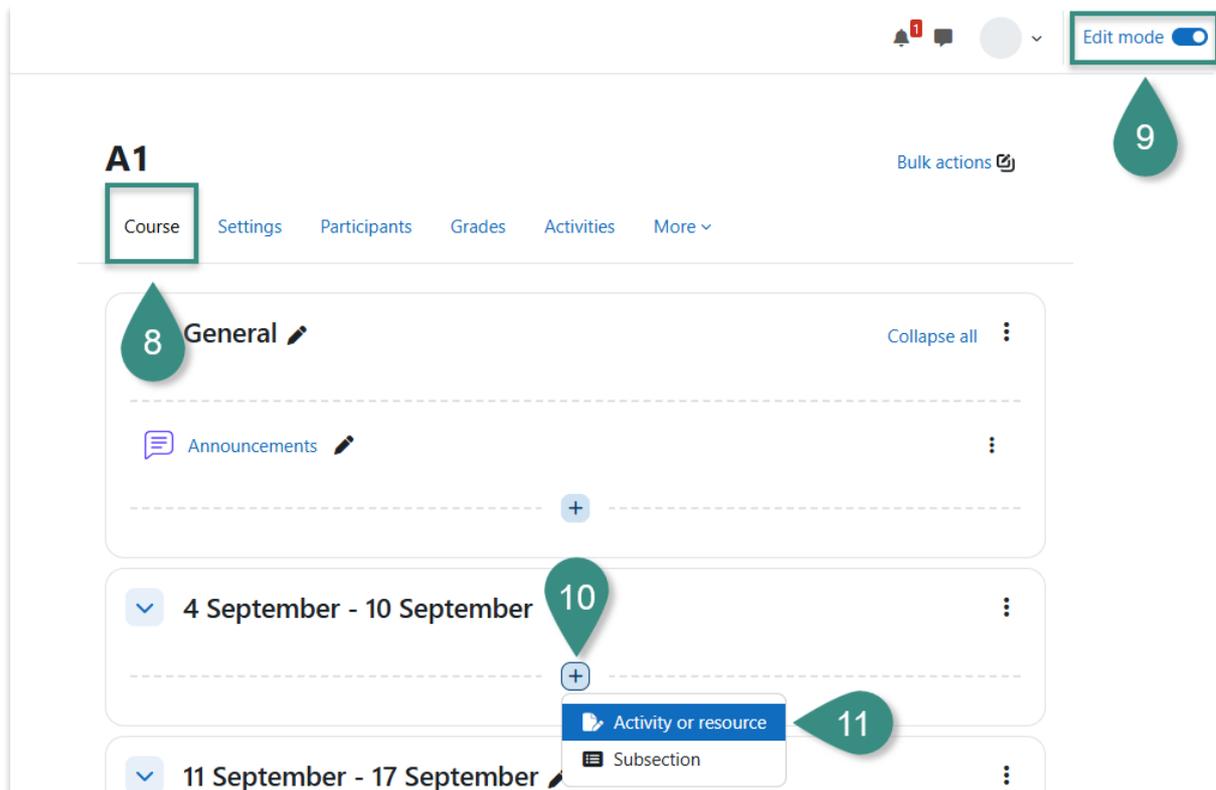

7. Ative a opção "**Show in activity chooser**" para a sua nova ferramenta.

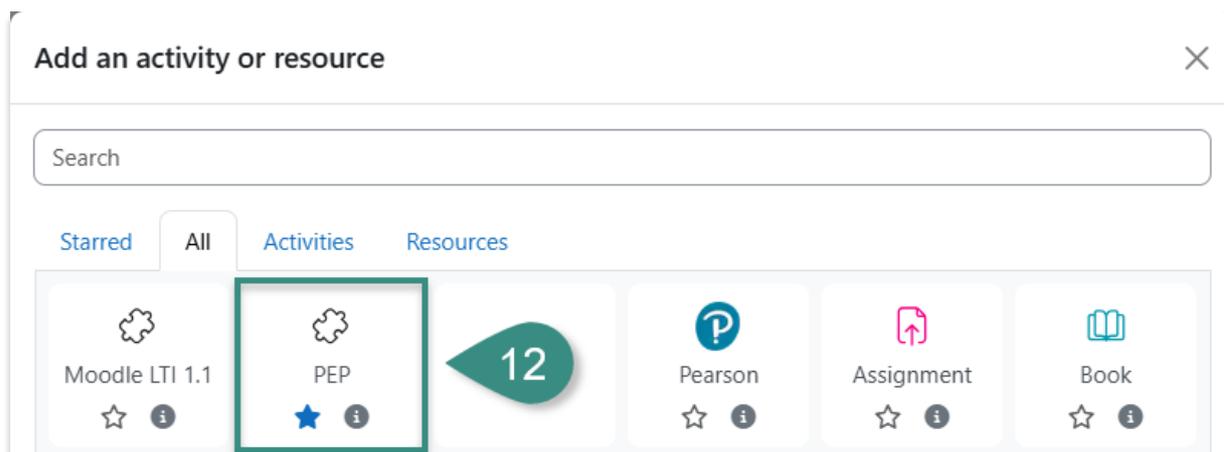

The screenshot shows the 'LTI External tools' settings page in Moodle. The page title is 'LTI External tools' and it includes a description: 'LTI External tools are add-on apps you can integrate into your course, such as interactive content or assessments. Your students can access and use them without leaving your course.' There is an 'Add tool' button. Below is a table listing installed tools with their settings.

Name	Description	Usage count	Show in activity chooser	Actions
Moodle LTI 1.1		1	<input checked="" type="checkbox"/>	
PEP		1	<input checked="" type="checkbox"/>	
MEL		13	<input type="checkbox"/>	

8. Acesse a aba "Course".
9. Ative a opção "Edit mode".
10. Clique no sinal de mais (+) abaixo da seção selecionada.
11. Selecione na lista a opção "Activity or resource".

12. Selecione a sua ferramenta.

13. Dê um nome à atividade no campo "Activity name".

14. Clique em "Select content". Isso permitirá que você escolha um exercício PEP.

15. Depois de selecionar a atividade, clique em "Save and return to course".

16. Você verá a atividade em seu "**Course**".

Você pode clicar no menu "... " ao lado da atividade para ver mais opções.

17. Se não quiser que outros usuários vejam a atividade, selecione "**Hide**" na lista de opções.

The image shows a course interface with a top navigation bar containing 'Course', 'Settings', 'Participants', 'Grades', 'Activities', and 'More'. Below this, there are three activity sections. The first section is 'General' with a 'Collapse all' button. The second section is '4 September - 10 September' and contains 'Activity A'. A callout box labeled '16' points to the three-dot menu next to 'Activity A', which is open and shows options: 'Edit settings', 'Move', 'Hide' (highlighted), 'Duplicate', 'Assign roles', and 'Delete'. A callout box labeled '17' points to the 'Hide' option. The third section is '11 September - 17 September'. Below this, another section for '4 September - 10 September' shows 'Activity A' with a dropdown menu set to 'Hidden from students'. A callout box shows two options: 'Show on course page' (available to students) and 'Hide on course page' (not available to students), with the latter being selected.

Quando tudo estiver concluído, os alunos podem clicar no link adicionado e uma nova aba será aberta com a atividade PEP.
